SUBJECT: Special Use Permit #2023-00077
Administrative Review for Minor Amendment
Site Use: Restaurant with Outdoor Dining
Applicant: Stracci Pizza
Location: 106 Hume Avenue
Zone: CL / Commercial Low

Request

Special Use Permit #2023-00077 is a request for a Minor Amendment to amend Special Use Permit #2023-00016 by expanding the floor area occupied by the use by 385 square feet for purposes of adding a permanent, indoor kitchen to the business. The indoor kitchen expansion is intended to replace the temporary kitchen currently located within the temporary trailer on-site. The expansion will convert 385 square feet of what is currently a basement apartment into additional kitchen area. No other changes to the existing business are proposed.

Background

The subject site at 106 Hume Avenue was originally developed with single-family detached dwelling in 1925. In 2011, the dwelling was converted into a two-family dwelling and, in 2013, a basement apartment was added. A commercial use was first located at the site when, on January 12, 2013, City Council approved Special Use Permit #2012-00077 as requested by Connie Desrosiers for a restaurant, called Emma's, with 18 seats of outdoor dining immediately front of the restaurant and a five-space parking reduction. The scope of work under this approval also included a 954 square-foot, one-story addition on the front and west sides of the subject property. On June 14, 2014, City Council approved Special Use Permit #2014-00029 for an extension to previously approved Special Use Permit #2012-00077 due to the fact that operation of the use had not commenced within 18 months of the date of granting of the Special Use Permit by City Council. Next, on April 7, 2017, staff administratively approved Special Use Permit #2017-00024 for a Change of Ownership from Connie Desrosiers to Susan Baharmast, who began to operate the business under the name Nectar. No other changes were made to the business as a result of this request. On May 26, 2021, staff administratively approved Special Use Permit #2021-00033 for both a Change of Ownership from Susan Baharmast to Stracci Pizza as well as a Minor Amendment to add off-premises alcohol sales and to allow third-party delivery services. On September 17, 2022 City Council approved Special Use Permit #2022-00048 to approve a temporary trailer containing a kitchen as well as 46 seats of outdoor dining. Most recently, in March 2023, staff administratively approved Special Use Permit #2023-00016 to allow the applicant to expand the floor area occupied by the use by 350 square feet for purposes of adding a

permanent, indoor kitchen to the business.

Parking

Section 8-200(A)(17)(a) of the Zoning Ordinance requires restaurants in the enhanced transit area to provide a minimum of one parking space for every 1,000 square feet of floor area. There is also an outdoor seating area with 46 seats, 20 of which are exempt from additional parking requirements per Section 8-200(A)(17)(c) of the Zoning Ordinance. However, per Section 8-200(A)(17)(c) of the Zoning Ordinance, “*The area occupied by each seat over 20 shall be calculated as 15 square feet per seat.*” Thus, for parking calculation purposes, the remaining 26 seats would count as 390 square feet. The 2,216 square foot restaurant and the 390 square feet added by outdoor dining for a total of 2,606 square feet for purposes of calculating require parking. The minimum parking required for the site would then be three parking spaces. The applicant has an existing parking agreement with the property owner of 2903 Mount Vernon Avenue, which is located approximately 50 feet away from the subject site, at which the three-space parking requirement is satisfied at this 12-space surface lot.

Community Outreach

Public notice was provided through eNews, via the City’s website, and by posting a placard on the site. In addition, the Del Ray Citizens Association was sent an e-mail with information about the current application. Staff has not received any comments from residents or adjacent businesses regarding the request.

Staff Action

Staff does not object to the Minor Amendment request as a restaurant has operated successfully at this location for many years with no proven impacts on the surrounding neighborhood. In addition, the existing restaurant has operated without issues, complaints, or violations since the time it has opened and begun operating almost two years ago.

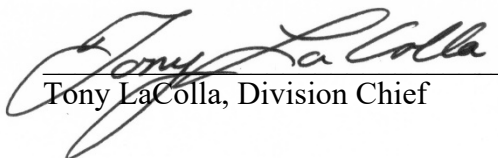

Special Use Permit conditions have been carried over from Special Use Permit #2023-00016. However, Condition #24 has been amended to restart the standard one-year review required of all Special Use Permits.

Staff hereby approves the Special Use Permit request.
